Simplifying Your Financial Life

Mark Gillespie

We'd like to thank Forge Financial for inviting us to their ribbon cutting!
If you would like one for your business, please contact us!

Congratulations!

The Hilton Garden Inn
is our Business of the Month for June 2014!

The Hilton Garden Inn in Bushnell's Basin celebrates their First Anniversary this month! A complete renovation was done on the hotel formerly known as The Brookwood. Operated by the Waters Group, the Hilton Garden Inn is the sister property of Woodcliff.

They are an active Chamber member and generously accommodate our meeting space needs.

They have been the setting for several of our events and received a wonderful response from our members. Their staff is excellent in delivering a quality level of service. We highly recommend "HGI" and look forward to a continuing relationship with our June Business of the Month.

Hilton
Garden Inn

President's Post

The Chamber has entered it's busiest season of the year! It's time for our signature event, the Fourth of July Parade, 5 Mile Firecracker Race, and Party in the Park, all on the actual day, July 4.

Many do not realize that The Chamber is the traditional host of this event. Months of coordination go into the planning of this day. We are happy to bring you these events again this year – with many enhancements for 2014!

The 5 Mile race will now utilize the new roadway, extension of Jefferson Avenue. Completion of construction will hopefully remain on schedule. We-gman's will be providing additional bottled water for runners which will be distributed by our sponsored Cub Scout Pack 225.

The parade will include some interesting new entries. We have and continue to encourage our members to participate as a promotion to their businesses. The parade is open to all who are interested. If you have never had a float or a presence, or know of a group who may like to, please go to our Chamber website at fairportperintonchamber.org to register.

The Party in the Park will be featuring additional activities for young children. We have worked closely with Perinton's Parks & Rec Department in this area. Additional food vendors are planned and The Chamber will be offering a selection of packaged wines in addition to the usual beer. This was a frequent request from last year. Also, additional tables and chairs in the food area are being planned. We have made this event much more comfortable and attractive. You will want to stay longer to listen to the Skycoasters, a July 4 tradition!

Hope to see you along the parade route – or perhaps in the parade!

Paul West

Chamber President

Upcoming Events

Advertising Opportunities

ADVIO has reasonably priced advertising opportunities available. There are now four monitors in Perinton and 18 in the Rochester area so Chamber members can target their marketing. Call Mandy Clark at Advio 727-4239.
