

June 2020 Newsletter

From our Chamber President

Dear Fairport-Perinton Chamber of Commerce Members,
I hope this newsletter continues to find you and your families well.

As the Finger Lakes region enters the second stage of reopening, we wanted to share a resource that will help your business obtain personal protective equipment (PPE) and find cleaning service vendors.

Below is a link to the Greater Rochester Chamber of Commerce's listing of local resources:

<https://greaterrochesterchamber.com/protective-mask-vendors>

In an effort to keep our members connected, we will be planning several virtual networking events. Stay tuned for these announcements in the coming weeks @

Stay well & see you soon!

Jim

Turning COVID Impact Into an Opportunity to Help

We have four Chamber members involved in a cancelled annual event, not counting those of you who would have attended.

Embrace Your Sisters (EYS) hosts an annual fashion show, which was scheduled to be held at our member Casa Larga, raising

funds for their 100% volunteer organization, to pass on as emergency financial support for people with breast cancer in our neighboring 13 counties. In 2019, \$50,000 was distributed among 40 people. Edge Advertising Group would like to encourage your help in spreading the word about EYS:

1. Follow EYS on :

<https://www.facebook.com/embraceyoursisters/>

<https://www.instagram.com/embraceyoursisters/>

<https://twitter.com/EmbraceYourSis>

2. SHARE their posts. The results will be more individuals will be introduced to EYS and some donor out there will connect because of your actions. **3. Get to know** EYS through our Chamber member, the Genesee Valley Penny Saver

What's Your Style? - ep visualz offers hundreds of styles to suit your rendering needs

Renderings are a great tool for project planning and marketing. Whether it's a home, landscape or a commercial development, the advantages of being able to visualize the project before you start are many. And the cost is generally just a small fraction of the construction budget.

But what type of rendering is best for you? There are way too many to list here. In this brief article, a handful of styles were chosen to give you an idea of what's possible. And within each style, there's an almost infinite number of variations that can be created. Read on to see a few samples.
