## President's Post

October was yet another month of growth for the Chamber. I am pleased to announce that the Chamber office is now open daily, Monday through Friday, from 1-3 PM. Darren Miller has been named Office Administrator and will be responding to your calls, emails, and visits. With strong IT skills, Darren will be overseeing our website and social media presence, as well as the integration of our internal systems. This great added benefit has been long-awaited. We are pleased to offer more complete and efficient services to our member businesses through his expertise.

I invite you to stop in and visit the office, at the north entrance of the Box Factory. You can pick up a printed copy of our newsletter and drop off your promotional materials for our display racks! Did you know we also can provide complimentary notary services? Need a meeting space? We have that for you too!

We have many new programs unfolding and events being planned. They are all focused on providing you an avenue to expose your business! Our educational programs and speakers will help support and grow your business as well.

We truly welcome your ideas and participation. If you have an idea, sugges-

tion  
or

comment, please email us at [fairportperintonchamber@gmail.com](mailto:fairportperintonchamber@gmail.com) or call us at 585586-9840.

Great things happen when people and their ideas work together! Hope to see you and one of our upcoming Chamber events.

## November Business of The Month: Maplewood Estates

Maplewood Estates is a community within our community. Seniors here live independently with amenities. A simpler life where folks can age in place with dignity and have options. Folks here take an active approach to supporting our community. We held a silent auction for the Outward Bound Program and raised \$650 for the retuning Vets. We put together baskets of supplies

for young expecting Mothers for the March of Dimes. This Christmas season we will be adopting three families again to make their holiday season a memorable one. Maplewood Estates will continue to strive to improve the quality of Life in our Fairport Community.

## *Business Showcase a Success!*

Thank you to all who participated in our first Business Expo that was held at the Burgundy Basin Inn on October 9th. We had 20 vendor tables representing local businesses and record attendance. A special thanks to Summit Credit Union, Bookkeeping Professionals, and Painting with a Twist for donating the door prize items.

The next chamber event will be at STAR Physical Therapy on November 13th, from 5-7 PM. There will be a brief presentation on 'healthier lifestyles and a tour of the facility as well as networking and refreshments.

Mark your calendars for the annual Holiday Networking event at the recently renovated Lodge at Woodcliff on December 11th from 5-7 PM.

## *Member News*

**The Fairport Perinton Chamber took 2nd place in the Maplewood Estates community pumpkin carving contest. Out thanks to Mark Figura for lending his talents to the Chamber for the event!**
