President's Post

Happy February everyone!

We recently held our 2nd annual State of the Town/Village event and I must say it was even better than last year! Great presentations were given by our village Mayor Fritz May and our Town Supervisor, Jim Smith. What an exciting year for growth! We look forward to establishing a few more joint ventures as our relationships grow.

Many changes are happening in the small business world. Are you confused and need help? The Chamber can help you prosper. With our affiliations with the RBA and SCORE, in addition to

our expert membership, there is help for you. You have a whole team of professionals to help you and your business be successful and prosperous. It takes a team and we have that for you!

I know it seems like the 4th of July is months away, but we are planning for another fantastic parade and party in the park. We always need many volunteers to help us with both. If you would like to participate in the parade and or volunteer, please give

us a call now. We would love to have you! The parade will be on the 4th, which is a Thursday, as well as the party after! We will be adding more family events, too. Do you have an idea for a group float? Let's see if we can top the number of floats we had last year!

As we look forward to spring and new beginnings, here's to growth in your business, too! Hope to see you all at our monthly educational events. February is one you won't want to miss, especially if you have children in Fairport schools!

Bonnie Chudyk, President

Business of The Month

Paul West of Nothnagle Realtors has been named Business of the Month for February. Paul joined the Chamber as a board director last year and has been integral in our redevelopment. Paul recently earned Nothnagle's Gold Sales Award at the company's annual ceremony. Nothnagle is celebrating 65 years in the Rochester market and has maintained a Fairport branch at 65 S. Main St. since 1983. Paul prides himself on "delivering a better real estate experience" through communication, trust and accountability. Locally, he also participates in the Lions Club, Merchants Association and other community groups in Fairport and Victor.

Nominate a Business of the Month

January Business of the Month, Infogistics IT

Nominations for the recognition are reviewed by the Chamber's Membership Committee. The Chamber bases the nomination selection on the following criteria: must be a member in good standing of the Fairport Perinton Chamber of Commerce, the business must have been established and operated continuously for at least 12 months, nominee must have donated resources (time, talent, money, etc.) to the community via projects, organizations, volunteering, clubs, church, etc. and the business has a reputation for honesty and integrity in their practice. Winners of the Business of the Month will receive recognition at a Chamber breakfast, will receive publicity in the Chamber's newsletter, and will receive a sign/banner to be placed at the business

for a whole month. Recognition will also be displayed on the Chamber's website and we will post the business on our digital ads around the community.

If you would like to submit a name for consideration, please email the following information to fairportperinton-chamber@gmail.com with the subject line "business of the month":
